

REFLECTION QUESTIONS

For Faith Groups and Further Study

1. How have you personally experienced God's love for you?
2. What does it mean to love "one another"? What doesn't it mean?
3. Why is it not logical to claim to love God but not love your brother or sister in Christ? Why does John call you a liar if you say you love God but don't love your brother/sister in Christ?
4. What would be a reason that you might "hate" your brother or sister in Christ?
5. Is there a connection between love and forgiveness? If so, then is that connection?
6. Are there people in your life that you are, or have been, unloving toward? Who in your life do you need to love more? How will you "prove" your love for others—your spouse, your child(ren), your co-worker(s), your boss, your church family/pastor/leader/etc?
7. Is there a person, or are there people, that you are unforgiving toward? Who do you need to forgive and love from a distance?
