For Faith Groups and Further Study

## Celebrate and Care:

1. What is something that happened this week that you are celebrating?
2. What is something that happened this week that is painful?

## Learn, Grow, and Apply:

3. Would you characterize your apprenticeship of Jesus as being filled with joy? Why or why not?
4. What obstacle(s) might stand in your way of experiencing the “joy of your salvation” more consistently? Is it a relationship that needs mending? Sin that needs repenting of? Lack of understanding of what your salvation means? Not really knowing your Savior?
5. What are the steps you are taking to apprentice Jesus, that is, to follow His example and to apply His example to how you live your life in Him?
6. Over the past twelve months how have you become more like Christ in your everyday life? What are areas that still need surrender and development?
7. Where is Jesus inviting you to trust Him today, either by letting go of something or by stepping into something new?
